*Pro Leg*

31 August 1978

MEMORANDUM FOR: Director of Central Intelligence

FROM:

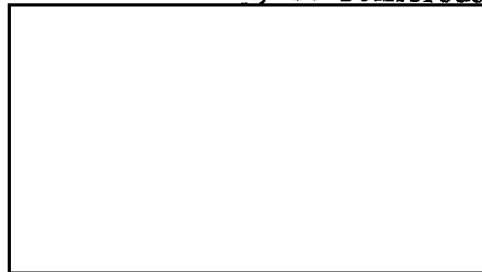

Acting Legislative Counsel

SUBJECT: Polygraph Legislation

1. Action Requested: None; for your information.

2. Background: You expressed an interest in Senator Bayh's polygraph bill. The bill as introduced contains a partial exemption for the Agency. Our Legislation Staff has been working with the Department of Justice and the Senate Judiciary Committee on an amendment that would completely exempt CIA from the coverage of the bill. The hearings scheduled for next month will probably be the last action scheduled for the bill. None of the Government agencies have been asked to testify. Although the bill will probably die in Committee, the bill will most likely be reintroduced in the next Congress.
